Rules for Judging TARBA Auditions:

The judges may not use a percentage method of rating or judging. Each contestant must receive a rank, as 1, 2, 3, etc. Failure to comply with these rules invalidates the auditions.

Sample Summary Score Sheet:

Entrant	Ranking According to:			Total
	Judge X	Judge Y	Judge Z	
A	6	5	6	17
B	1	1	3	5 (winner)
C	1	3	4	8
D	4	4	5	13
E	2	6	2	10
F	2	2	1	5 (not winner)

In National Auditions, the contestant with the lowest total is the winner, provided two of the three judges have given a rating of "1". The one with the largest total has the lowest final standing. Thus, above "B" ranks first and is the winner, having both the lowest total and two "1" ratings; "F" ranks second, though with the same total, for he/she has only one "1" rating. "C" ranks third, "E" fourth, etc.
