3. Entrants will submit video recordings (mp4) of required repertoire; there will be no in-person auditions. Due to file size, entrants are encouraged to upload their video performances to an UNLISTED YouTube channel that does not identify the performers, and submit the links on a separate document via the NFMC application portal. Otherwise, separate videos can be uploaded directly to the NFMC application portal.
4. Unless the highest standards of a student performance are met, no winner will be declared in that category. The decisions of the judges are final.
5. If you have questions about repertoire or application procedures, please contact the chair immediately ([Liana@omegatower.com](mailto:Liana@omegatower.com)). Applications that do not include all of the required repertoire and supporting materials will be disqualified.

**REQUIRED MATERIALS – please convert all created documents to pdf before uploading**
