State clearly if you will need a proof of insurance certificate in hard copy form. Child Protection Forms MUST be submitted with insurance requests and payments, as required
4. by our insurance provider. No insurance request will be fulfilled unless this Child Protection Form is submitted properly. All State Insurance Chairs are listed on the NFMC website. (6-2016 Tulsa, OK)

6. The Area Chair must communicate with his/her State Festivals Chair regarding Festival dates, materials needed, certificates (State and Superior Certificates), and musicianship tests. These materials must be ordered through the State Festival Chair before **October 1** of each year. Use the previous Area Report as a guide for ordering certificates and if applicable, allow for 10% growth from the previous year's report. (6-2016 Tulsa, OK)
7. Chairs can download all other needed forms from the NFMC website: [www.nfmc-music.org](http://www.nfmc-music.org). These forms can be found under the "Publications" tab and are available for free in a PDF format. (6-2016 Tulsa, OK)
8. Area Chairs must inform junior counselors, teachers, and special members of Festival date and place, and remind them that photocopies are not permitted. Online music must be obtained from legitimate sources and accompanied by hard copy receipt or studio license. (6-2016 Tulsa, OK)
9. Chairs must remind all teachers and junior counselors that they MUST BE FEDERATED to be eligible to place entrants in area Festivals. Chairs should be familiar with all rules pertaining to federating. (6-2016 Tulsa, OK)
10. Area Chairs send each teacher and junior counselor the number of application forms required and set a deadline for returning the applications. (6-2016 Tulsa, OK)

11. Area Chairs are responsible for notifying teachers immediately if any error is found in applications or if insufficient dues or fees have been paid. (6-2016 Tulsa, OK)
12. The Area Festivals Chair is responsible for setting a deadline for return of Festival applications. It is recommended that this be at least eight to ten (8-10) weeks prior to Festival. This would permit most entrants time to learn another piece should the selected literature be incorrect. Registration using the NFMC Online Festivals Management System (Vivace) will insure that a correct required piece is selected. The Area Chair must notify teachers immediately if there is an error in the choice piece selection. (6-2016 Tulsa, OK)
13. It is the Area Festivals Chair's responsibility to check completed applications for the following: age of performer, proper classification/progression, and required composition listed in the *Festivals Bulletin*, appropriateness of music, and composer of choice selection. Specifically communicate to the judges that their duties do not include comparing entrants and selecting participants to go on to a state competitive event (if applicable) but to evaluate students on their individual merits and in accordance with the assessment guidelines detailed on the rating sheet. Try to "pair" judges with events/classes with which they have had extensive experience teaching, mentoring, or adjudicating if possible. (6-2016 Tulsa, OK)
17. In cooperation with the treasurer, send payment of state and national Festival fees to the State Treasurer within two (2) weeks after the conclusion of your area Festival. NFMC deadline is **May 20** but state boards may establish an earlier deadline. (6-2016 Tulsa, OK)

This process should take place no later than two (2) weeks after your Festival Day (retired JR 3-14). NFMC deadline for Area Reports to be sent to the State Chair is **May 20**. State boards may establish an earlier deadline. (6-2017 Dayton, OH)

3. Compile the JR 3-4 report and send to the State Festivals Chair no later than the NFMC deadline of **May 20** (or no later than the state board's established deadline). Again, prepare separate reports for Junior and Adult participants. Keep one (1) copy of each report. A computer printout is acceptable; be sure information is complete and follows the format indicated by the instructions on the form. *(6-2017 Dayton, OH)*
4. All Area Festival reports must be submitted to the State Festivals Chair on or before the state deadline. NFMC deadline is **May 20**. *(6-2017 Dayton, OH)*

7. Requests for state certificates must be placed by the State Festivals Chair using the order form sent to them by the National Festivals Chair. Completed order forms must then be

sent directly to the NFMC Festivals Chair by the prescribed deadline either by U.S. Postal Service or by email. *(6-2016 Tulsa, OK)*

8. State Chairs should order certificates based on a 10% increase from the previous year to allow for potential Festival growth in their state. *(6-2016 Tulsa, OK)*
9. State Festival Chairs have the option of personalizing their State Certificates but need to send a jpeg file of applicable State President and/or Festival Chair's signature along with the certificate order form. There will be a slight increase in the individual price of the certificates for this service so State Festivals Chairs need to go through necessary state channels to make sure the expenditure is authorized. *(6-2016 Tulsa, OK)*

13. Area Festivals Chairs are no longer permitted to place orders for certificates with NFMC Headquarters. All orders must be placed through the State Festivals Chair. *(6-2016 Tulsa, OK)*
14. State Certificates cannot be scanned and uploaded to state websites. *(6-2016 Tulsa, OK)*

#### ADVISOR GUIDELINES FOR SELECTING FESTIVAL REPERTOIRE (*6-2016 Tulsa, OK*)

- All material selected *must* be currently in publication or readily available from public domain websites. **No out-of-print repertoire is to be chosen.** Please perform due diligence to ensure that the music you select is available.
- Advisors are **not** limited to the sample repertoire that is received from the publishers. If there is other repertoire that fits the criteria then feel free to include it on the list.
- *For Piano Solo:* All required repertoire must be original works. No transcriptions or arrangements allowed. Compositions must be by American composers, i.e. native or naturalized citizens of the United States.
- *For Piano Solo:* Up to 30% of repertoire may be selected from the List of Favorites. A list will be provided.
- *For American Patriotic and Folk Song Piano Event:* Repertoire must consist of American patriotic and folk songs.
- If selecting repertoire from a book or collection, try to ensure that the remainder of the pieces in the book are of sufficient quality for teachers to be happy purchasing a book rather than sheet music.
- Keep in mind that the repertoire is not only utilized by Juniors, but also by Adult Festival participants. Try to select pieces that appeal to all ages, with a variety of styles.
- When an advisor is finished making selections, if he/she is using previously published material (anything with a copyright date of 2016 or) *check previous Bulletin lists to see if it has been selected before and in what class.* (Please contact the NFMC Bulletin Editor to obtain a prior list). In the past, pieces were selected for more than one *Bulletin*, but in different classes. Please use due diligence to prevent this from happening again.
- Advisors will be responsible for adding repertoire list to the Online System. Further specific instructions for this will be given at a later date.

  - a. Vocalists may use scores that have been legally electronically produced to provide the appropriate vocal range.
  - b. Entrants may use legally produced scores from vendors provided they include the letter of permission that accompanies this music. This includes music purchased on CD or in an app that allows for scores to be printed. If the authorization to print is not for the user, then the authorization to print for multiple users must be included in the verification.
  - c. Legally downloaded scores must include the verification that the download is from a valid source. Verification could be a document printed from the download website or verification printed on each page of the download. (*General Rules 2017 Bulletin, pg. 4*)
3. The use of transposed electronically reproduced music will be allowed in Festivals for vocal events only. (*Standing Rules, K-2; 8-11-96*)
4. NFMC will honor and uphold copyright law. Festival leaders and teachers need to educate themselves concerning the legitimacy of downloaded music from the internet and proof of intellectual property. (*6-2016 Tulsa, OK*)
7. NO photocopied music will be allowed in the audition room unless accompanied by written permission from the publisher, stating that the selection is out-of-print. Teachers are cautioned to seek this permission well in advance of the Festival date (*General Rules 2017 Bulletin, pg. 4*).
8. Accompanists who use illegal photocopied music will result in the disqualification of the entrant.
9. All events, including Hymn Playing, American Patriotic/Folk Songs, and Accompanying, require strict adherence to the score. Embellished accompaniments, hymns, and/or APFS will result in student disqualification.
5. Any digital score to be used in an NFMC Festival Audition must be accompanied by a proof of purchase, permission to use the score, or a studio license obtained by the teacher/junior counselor/senior club member prior to submitting the entrant for an audition. Proof must accompany the score at the time of entry if a computer download is used in place of a commercially printed score. It is recommended that all music and proof of purchase should be hardcopy and given to the Area Festival Chair at time of entry and, once approved, to the judges at the time of audition. (*6-2016 Tulsa, OK*)

### **Proof of Public Domain** (6-2016 Tulsa, OK)

A legitimate source is defined as a tangible copy of the work with a copyright date old enough to be in the public domain.
2. When an individual uses music that is in the public domain as either a download from the internet or from a CD with music scores loaded and available for use, proof of public domain is the responsibility of the teacher and/or entrant. Proof should be submitted at the time of entry into an NFMC Festival Audition and must accompany the score and be made available at the time of audition by the teacher and/or entrant.
